

The 5th EicC CDR workshop

Saturday 16 September 2023

Physics parallel: Physics parallel (09:00 - 12:00)

time	[id] title	presenter
09:00	[1] Kinematics reconstruction (Jinlong Zhang)	
09:20	[2] Searching for the new physics at the EIC/EicC (Bin Yan)	
09:40	[3] An EFT analysis of new physics at the EicC (Yong Du)	
10:00	[4] Sivers functions study at the EicC (Chunhua Zeng)	
10:20	[5] Transversity and Tensor charge study at the EicC (Hongxin Dong)	
10:40	[7] Break	
11:00	[6] Worm-Gear functions study at the EicC (Ke Yang)	
11:20	[8] Gluon Sivers functions study at the EicC (Liang Zheng)	
11:40	[9] High-twist TMDs from basis light front quantization (Xingbo Zhao)
