

BESIII R QCD**Sunday 21 July 2024****Session VI (11:00 - 12:00)**

time	[id] title	presenter
11:00	[18] Measurement of the relative phase between strong and EM decays of charmonium	WANG, Yadi
11:30	[2] Quark model with hidden local symmetry and its application to the hadron spectrum	Prof. BINRAN, He
