

Session Program

24-29 Apr 2025

Effective Field Theories, Gravity and Cosmology

Holography

国科大杭州高等研究院 Hangzhou Institute for Advanced Study (UCAS), Building 3, 2A-223

Saturday 26 April

14:00

Holography

Session | **Location:** 国科大杭州高等研究院 Hangzhou Institute for Advanced Study (UCAS), Building 3, 2A-223 |
Convener: Prof. Alexey Koshelev

14:00–14:30

Quantum-Corrected Wilson Loop Correlators and Super-Yang-Mills Theory at Infrared

Speaker

Jun Nian

Location

14:30–15:00

Application of solving inverse scattering problem in holographic bulk reconstruction

Speaker

Run-Qiu Yang

Location

15:00
