

2025 Autumn semester plan

- ◎ Push “Measurements of inclusive D^0 -meson production in isobar collisions at $\sqrt{s_{NN}} = 200$ GeV” to publish (2025.9 – 2026.2)

- 1 Reply the comment from code QA;

- 2 Reply the comment from others;

- 3 Push the paper to next step.

- ◎ Recompose the thesis (2025.9 – 2026.2)

- Delete the unrelated parts;

- Improve the analysis contents;

- Check grammatical mistake.

- ◎ Do the D^0 analysis in O+O collisions (2025.9 – 2026.2)
